

Asian Securitex Conference

9-11 MAY 2018

Hong Kong Convention & Exhibition Centre

www.asiansecuritex.com

By 2030, the world will be radically transformed from our world today, challenging global peace and national security. To address this issue, this year the conference will focus on **'Overcoming the Latest Challenges in the Security World'**, bringing experts to share their knowledge on current threats and mechanisms, strategic and tactical ways to manage the conflicts and prevent further escalation. Are you ready to meet the security innovators?
